

KOCHI CALLING

Queen of the Arabian Sea Kochi (earlier known as Cochin) is a cosmopolitan city in Kerala with a bustling commercial port.

From the long stretches of beaches to mountains with a canopy of green round the year and from the aromatic fragrances of spice fields to a world of enchanting art of living, Kerala is, no doubt, a rare marvel of India's tourism treasure. Everything about this "God's Own Country" is so captivating that it makes this southernmost state of India a world famous destination. Whether it is the iconic backwater tour, lush green hill stations, exotic biodiversity, pleasant climate, cultural canvas, picturesque paddy fields or sensuous world of ayurveda- holidays in kerala are dream of every vacationer.

Mail to: osaconkochi@gmail.com

 <https://www.facebook.com/osaconkochi>

Dear Friends,

Greetings from Sunrise Hospital

It is our proud privilege to invite you to our forthcoming conference on obstructive sleep apnoea- OSACON 2018 . This will be a two day conference on 30 th June and 1st July 2018 . The venue of the conference would be Hotel Marriott, Edapally , Kochi on Day One while Day Two will be for hands on dissection for limited number of delegates at Sunrise Hospital, Kakkanad , Kochi . Our previous workshops have been a tremendous success only on account of the support and encouragement from you.

This,our third workshop is part of our efforts to increase the awareness of the importance of identifying and treating obstructive sleep apnoea. The various new protocols in the treatment of sleep apnoea will be presented before you by our esteemed national and international faculty. Lively discussions and debates will be an integral part of the workshop. This time also we will be having a hands on workshop on frozen cadavers for limited numbers to help our delegates to improve their surgical techniques in management of sleep apnoea. Our faculty will be available to guide and advise the delegates at every step.

As a special gesture for our esteemed delegates we will be giving a free hands on dissection on animal models for the first ten registration
