

About Us +

We are wholesaler and exporter of precious and semiprecious gemstones and beaded jewelry, based at Vadodara, India. We offer the finest collection of gemstones from various parts of the globe and cater to individual / retail and bulk/manufacturer's requirement.

Backed with sound knowledge of export-import and supply chain management experience, we bridge the mining community, processor and buyer across globe for qualitative offerings at most competitive prices.

We guarantee highest degree of satisfaction while dealing with us, as "customer gratification" is much more important than quantity for us. We strive to be your "preferred supplier" with value added offerings and money back guarantee during evaluation period.

We offer best deals for specific individual requirements and assure delivery across globe in 7-10 working days.
